

There is No Substitute for American Freedom and Exceptionalism

It is with great enthusiasm and conviction that I proudly announce my endorsement of Gerrick Wilkins for Congress in Alabama's 6th Congressional District.

Gerrick Wilkins is not your typical politician; he is a successful businessman with a proven track record of accomplishment and a deep commitment to the principles that make our nation great. It is my belief that Gerrick's dedication to liberty, economic prosperity, and accountable governance will make him an exceptional representative for the people.

We need representatives who keep their promises and prioritize the well-being of their constituents over personal political gain. Gerrick's dedication to bringing fresh perspectives and new ideas to Congress is precisely what our government needs.

I wholeheartedly support Gerrick Wilkins for Congress, and I urge you to join me in backing this principled and dedicated leader. Together, we can ensure that Alabama's 6th Congressional District is represented by an individual who values the principles of freedom, accountability, and effective governance.

Sincerely,

Michael T. Flynn
